**Subject:** Action by February 10: branch presentation topics

To get our 2015 branch presentations lined up, please send me by February 10th:

- 1) Any presentations you are willing to provide for the branch (and any timing considerations).  
We already have Don for CZARA; Alisha for updated Green Streets; and the GI team for their 2015/16 workplan
- 2) Topics you would like to hear about (by a branch presenter but could be anyone in OWOW)

Thanks!
